FAQ's-

- Each "gift box" features three individual trays, each tray holds 1 lb of our confections and are individually sealed for freshness.
- You may select one or two confections to be filled inside a tray. However if you select Double Peppermint Bark it must be the only confection in the tray—Peppermint is a strong flavor and will make the other candy taste like peppermint.
- You select confections at the time of order and we will take care of the rest!

Happy FAQ's

Our Chocolate

- All of our confections are hand-crafted in small batches with the finest ingredients by our family of women. Your packages are hand packed with care and shipped or delivered directly from our chocolate kitchen.
- We use a premium, imported, chocolate couverture for all of our confections.
(Couverture is the creme de la creme of the chocolate world- if there was a red carpet for chocolate-couverture is the super-star!)
- Vegan confections - We create an amazing line of handcrafted gourmet vegan confections. If you have any questions or would like an ingredient listing of a product we can provide upon request.

Lead Time:

- Lead times vary throughout the year depending on the season and product. Please contact us with product(s) and quantity to provide an accurate timeline.
- Typical processing time for standard orders: 2 - 4 weeks (lead time may be longer during holiday seasons).
- Rush Orders: Please inquire. We will do our best to accommodate your delivery date- Rush charge may apply.

Shipping:

- Prices do not include shipping, however, if you provide ship location (s) we will be able to provide an estimate. We ship Monday-Friday October-April. Monday-Wednesday May-Sept (Summer months may require express shipping).
- We ship nationwide to multiple address or can send a large shipment to a single location.
- Multiple Location Shipments- We will provide a shipping form. You submit the addresses and we will take care of the rest. Once your packages ship, we will send you tracking numbers.
- Gift Message- A complimentary gift message of 200 characters or less may be included in your shipments.
- Shipment Delays - We do everything possible to make sure your shipment arrives on time. However, once the package ships there are factors beyond our control such as weather, incorrect shipping information or shipping partner delays - and we do not offer refunds. Although these issues are rare, please give yourself plenty of lead time in your gifting!

Custom Molds

- We will work with you to determine size, shape and design. A mold may be created in almost any size, including 3-dimensional. *We have created life size Flashlights, Spray Cans, Padlocks, Crowns & more*
- Your chocolate mold may be created in milk, white or dark chocolate. *We can take it up a notch and add our artisan bar flavors such as Espresso or Raspberry (available on bars only not 3D)*
- Lead time: Lead time varies throughout the year. The typical lead time for a mold to be created is 2 weeks. However, during holiday time this could be extended to 4 weeks. We will determine ship date of custom bars once we receive quantity

Custom Branding

- Add your logo or personal message to our gift bags or boxes or send us your branded packaging and we will add our artisan confections. Please inquire for more information.

*Have a Happy by Chocolate day!
